Doing my own thing, just like I planned

Esus C#m7 B6 A7

I can do it in my own strength, I don't need a hand

Esus C#m7 B6 A7

As I walked into my buddy's room, he said

Esus C#m7 B6 A7

No one can serve two masters like you do, you're a hypocrite

And you've got to know, you have a choice

Bsus4

And no one's gonna make it for you

C#m Bsus4 Asus2

Listen to that still small voice that says

Bsus4

Come on back to Me and I'll save you

Esus C#m7 B6 A7

As I walked away upset, and headed towards my room

Esus C#m7 B6 A7

I'm wondering why my eyes are wet, and I hit my knees so soon saying

Esus C#m7 B6 A7

Lord, please forgive me for all the sins I've done

Esus C#m7 B6 A7

I will not serve this world, I will serve the Son...of God

Esus C#m7

Lord help me to walk in Your ways

B6 A7

Help me serve You all my days

Esus C#m7 B6 A7

And I think I heard him say a little something like this

C#m Bsus4 Asus2
And you've got to know, you have a choice

Bsus4

And no one's gonna make it for you

C#m Bsus4 Asus2

Listen to that still small voice that says

Bsus4

Come on back to Me and I'll save you

Bsus4 C#m7 Bsus4 C#m7 Bsus4 Asus2

C#m Bsus4 Asus2
And you've got to know, you have a choice

And no one's gonna make it for you
