

FOREVER MINE

Michael Thorsby

Asus2 Bsus4
It seems like forever since I've known you
E Asus2
But forever I've wondered where you've been
Asus2 Bsus4
I can't believe I've finally found you
Asus2 Bsus4
If I had to start over I would choose you again

Asus2 Bsus4
And you know that we have taken this vow
C#m E
And I will never leave you no not now
Asus2 Bsus4 E
And you know that forever is a long time

Asus2 Bsus4
So when I see you everyday
E Asus2
You still take my breath away
Asus2 Bsus4
For when you smile at me
Asus2 Bsus4
You still make me laugh you make me say...

E Asus2
||: Forever mine, baby forever be mine :||

Asus2 Bsus4
You have taken what the Lord has blessed
C#m E
You have given your heart, you have confessed
Asus2 Bsus4 E
And you know that forever is a long time

Asus2 Bsus4
Knowing forever is a long long time
E A2
And we're filling our destiny
Asus2 Bsus4
Knowing that I'll be right beside you
Asus2 Bsus4
And you right next to me

E Asus2
||: Forever mine, baby forever be mine :||
