Michael Thorsby

G D Em7 C2  
**I humble myself and I fall at Your feet**

G D C2  
**I humble myself and I fall on my knees**

G D Em7 C2  
**I humble myself and I fall at Your feet**

G D C2  
**'Cause I'm not worthy, I'm not worthy for You**

G D C2  
You gave me life worth more than rubies

G D C2  
You gave me life worth more than gold

G D C2  
You gave Your Son, to give His life

G D C2  
The greatest story I'm told

Em7 D C2  
*But if only everyone knew*

Em7 D C2  
*Of how You gave Your life and all You've been through*

G D C2  
*You are so worthy, of my praise Jesus*

G D C2  
*I'm gonna lift up my hands, to You*
