

SEND ME

Michael Thorsby

I belong to You

Every breath I breathe

I belong to You

You're living more in me

You're all I see

You're the One who lives inside of me

And every day

You wipe away my sins when I've gone astray

I'm willing, if You'll take me as I am

I'm ready

Send me

To end:

I'm ready, send me

Lord, I'm ready.....

I'm ready

Send me
