Esus C#m7

She woke up, I fell down

B6 A7

Thanked the Lord for what I'd found

Esus C#m7

She held my hand, fell to her knees

B6 A7 Esus C#m7 B6 A7

Started reciting how she loves me

Esus C#m7

She saw me smile, I saw her cry

B6 A7

Wiped off the tears falling from her eyes

Esus C#m7

Don't get too close, don't break my heart

B6 A7

We can't go back to where we started

Esus C#m7 B6 A7

Esus B6 A7 B6

This time I think she's gone too far

Esus B6 A7 B6

This time I think she's gone

Esus B6 A7 B6

Her hands around my fragile heart

Esus B6 A7 B6

I pray nothing goes wrong

Esus B6 A7 B6

If she's like me she's gone too far
